employers journalist look after musician
nervous salary skills volunteer work in worried

Choosing a job and a career can be very difficult so here is some advice for you:

- » Think about the ¹_____ you have already. For example: Can you play a musical instrument? Are you good at writing or drawing?
- » Make a list of jobs that match your skills. For example: A ²_____ is good at writing. A ³_____ loves music and can play instruments.
- » Contact lots of different ⁴_____ to ask if you can visit them to talk about jobs. This gives you an idea of all the options. Don't be ⁵_____ when you meet them. They are happy to help young people.
- » To get experience, a good idea is to ⁶_____. You won't get a ⁷_____ every month; you work for free, but you can see if you like the work.
- » Lots of students work at the weekend. You can ⁸_____ a café or ⁹_____ animals on a farm. You get some money and have some fun, too.
- » If you are ¹⁰_____ about what job to choose, post a comment here and I can help.
